

TOP TIPS

- ★ Dress warmly and wear suitable footwear.
- ★ Arrive early – check out the itinerary, there is plenty of entertainment to enjoy beforehand.
- ★ Some areas are not accessible to stand and watch the display (this includes the Village Green) – please take advice from the onsite marshalls, they are there to help you.
- ★ The display is loud, young children may benefit from ear defenders.
- ★ A torch may be useful to help navigate and find your way back to the car.
- ★ Random bag searches will be in operation.
- ★ Sparklers are not permitted at this event.
- ★ There are some additional food stalls in the top event field, along with a licensed bar.
- ★ Not all stalls and vendors take card payments, you may need some cash.
- ★ Wheelchair users are advised to use the designated viewing points – outside the Lower Wagon Store, and on the Tea Room terrace.
- ★ Should you get separated from your group – please head to the Tea Rooms for assistance.
- ★ The First Aid Point is located in the Upper Wagon Store.
- ★ The car park will take some time to empty, don't rush off straight after the display – stay and have a fairground ride, or enjoy a hot drink.
